

Saks CEO Marc Metrick to Speak at the 2023 Milken Institute Global Conference

Sharing expert insights on the future of retail and embracing innovation from the luxury lens

NEW YORK, April 27, 2023 - On Wednesday, May 3, Marc Metrick, Chief Executive Officer of Saks, the premier digital platform for luxury fashion, will be participating in a panel at the 2023 Milken Institute Global Conference. Metrick will join fellow retail leaders for a discussion on Retail Renaissance: Businesses Embracing Technology, Sustainability, and Innovation.

The panel will take place on Wednesday, May 3 from 10:00-11:00 a.m. PT in the Wilshire Garden at the Beverly Hilton in Beverly Hills, CA. To watch live, visit this panel page on [MilkenInstitute.org](https://www.milkeninstitute.org).

Leveraging his deep understanding of the luxury consumer, Metrick will share his perspective on the luxury consumer's shift to online shopping and the current state of the industry. He will highlight how Saks is evolving luxury shopping to best serve online customers and differentiating the customer experience by delivering advanced personalization, engaging consumers with unique and authentic experiences and offering an expertly curated luxury assortment.

ABOUT SAKS

Saks is the premier digital platform for luxury fashion in North America. Driven by a mission to help customers express themselves through relevant and inspiring style, we serve as a destination to explore and discover the latest from established and emerging designers. Our expertly curated assortment features sought-after names in women's, men's and kids fashion, as well as beauty, home and lifestyle merchandise. Through the Saks website and app, we provide access to professional stylists, inspiring editorial content and interactive events. Our differentiated approach seamlessly combines elevated online experiences with in-person services through an exclusive partnership with the Saks Fifth Avenue stores.
